

To whom it may concern,

I have known AcroNova Gymnastics Club for several years now and as Managing Director at Daisy Inclusive UK I can categorically state that AcroNova Gymnastics Club coaching staff has always given a high standard and quality service, with all their members of staff and volunteers being courteous, knowledgeable and effective in all tasks I have seen them undertake. Daisy Inclusive UK have delivered many Disability Awareness training sessions alongside AcroNova Gymnastics Club and we always look forward to our next visit. They also promoted the courses to other Sports clubs across the Northwest Region ensuring that the training reaches as wide an audience as possible. Enabling over 120 sports coaches from various sports providers from the Region to start inclusive class's for all .This will allow disability grass root sports to develop and allow more people to participate in sport

They are clearly developing their club into a truly inclusive and diverse environment giving everyone an equal chance to participate in gymnastics thus creating a more level playing field.
