To whom it may concern,

In 2010-2011 we launched the new Typhoo Sports For All – Disability Inclusion Training course with the aim of giving coaches of all sports the skills and ideas needed to make their sessions inclusive and accessible for disabled /special needs people.

AcroNova Gymnastics Club was a very keen supporter of this scheme and hosted two courses which were attended by a large number of their coaches. They also promoted the courses to other sport clubs in the Northwest region, ensuring that the training reached as wide an audience as possible with over one hundred and fifty sports coaches trained.

They are doing excellent work in improving opportunities for disabled people in the region and have recognised the need for their coaching staff and other sport coaches to be appropriately trained in order to deliver high quality, effective sessions.

I wish them every success for the future and look forward to working with them again.
